

## The Official BR2PG2CR Spectator's Guide

Don't know what the hell this is? Confused? Curious? Too cowardly to join? Just want to drink beer without having the responsibility of calculating points while maintaining team morale?

Whatever your reason, we'd love for you to join us as we celebrate the sights and sounds of the greatest motorsport known to humankind: RALLY!

And it's right here in **BALTIMORE!**

### Rally Agenda:

#### 1pm - Opening Ceremony and *Ragu Reveries*

Join us at the **Peabody Heights Brewery** beer garden as we showcase this year's competing rally teams during our opening ceremony.

Each team will introduce their homemade sauce to rivals, spectators, and rally stewards (*akin to a 'chili cook-off,' our rally stewards will judge each sauce based on strenuous scrutineering procedures*).

Then, teams will perform "**Ragu Reveries**" wherein they participate in a talent show-esque competition.

A rally favorite!

#### 2pm - Rally!

The race begins!

Teams leave PHB to begin racing to 3 self-selected food markets throughout the city to gather ingredients for making a side dish to pair with their sauce!

#### 4pm - Checkered Flag

Before crossing the finish line, teams must have a complete side dish to pair with their sauce.

The side dish **MUST** be completely assembled **BEFORE** reaching the checkered flag where our volunteer rally stewards will assemble to painstakingly assess each team's meal combo and calculate total earned points.

#### 5pm until Fully Satiated

*Appraise the Bolognese!*

Podium celebration of winning teams, awards ceremony, and prizes!
