

THE OFFICIAL BALTIMORE ROAD REGULATION DENTAL DILEMMA RALLY SPECTATORS GUIDE

What is this? Don't know where to start? Too cowardly to join? Just want to drink some local beer without having the responsibility of calculating points while managing team morale? Who cares! Just join us to celebrate the sights and sounds of the greatest motorsport known to humankind: Rally.

And it's right here in Baltimore!

RALLY SCENARIO (what is it?)

Welcome to the highest-ranking dental clinic of the modern world:
BIG RALLY DENTAL, LLC Family Dentistry Associates.

As the newest staff of the *Patient Accounts and Billing Division*, participating teams are tasked with processing insurance claims for a mysterious **new patient**.

But there's one problem: their patient has a debilitating **dental dilemma**! Throughout the rally, an ominous **narrative** will begin to unfold. The sheer breadth of the patient's arduous dental dilemma will seal each team's eventual fate.

In a world of inscrutable dental coverage, **RALLY** is the only cure.

Welcome to rally day: Victory will be determined by the combined total of each teams' 3 outstanding invoice levies for administered dental procedures. This, in combination with a series of additional surcharges, rebates, and race-day hijinx, will determine their respective grand total.

The **top three teams** will represent the **lowest incurred cost** to their patient.

Got it?

Just sit back and enjoy. Have a beer.

AGENDA

1pm : Opening Ceremony & Dental Devotionals

Join us in the Peabody Heights Brewery taproom as we showcase this year's competing rally teams during the opening ceremony.

Team introductions and "**Dental Devotionals**" (basically a talent show) will be followed by dispersal of Patient Intake Forms wherein a mysterious dental ailment awaits!

2pm-ish : Rally Race & Invoice Processing

Teams leave PHB using their **Patient Intake Forms** to determine their next location. They'll proceed onward through a series of continually unveiled rally-sanctioned *Billing and Claims Offices* to collect 3 invoices.

4pm-ish : Checkered Flag

Finish Line @ Peabody Heights Brewery taproom.

Invoice totals will be calculated by rally marshals upon arrival.

It's a lot of math... so please **leave us alone**.

Relax and have a few pints of BIG RALLY BREW while we await the results.

5pm : Race Results, Dental Plaque Podium, and Beyond

Podium celebration! Trophies and recognition for top-performing teams.
